Advice Letter No. 250-E

(U 913 E)

California Public Utilities Commission

Golden State Water Company ("GSWC"), doing business as Bear Valley Electric Service ("BVES"), hereby transmits for filing an original and four conformed copies of this advice letter with the California Public Utilities Commission ("Commission").

SUBJECT: GHG Environmental Performance Standard ("EPS") Compliance Filing

Purpose

This Attestation Letter notifies the Commission that in 2010, BVES did not procure any new generation resources. In 2009, BVES did attest that that it procured new generation resources and that the purchase power agreement with the counterparty is less than five years. Thus, BVES is in compliance with green house gas emissions, as required in Commission Decision No. ("D") 07-01-039.

Background

D.07-01-039 requires all Load Serving Entities ("LSE") to file annual Attestation Letters, due February 15 of each year, attesting to the Commission that the financial commitments entered into for generation during the prior calendar year are in compliance with the emissions performance standard. D. 07-01-039 requires LSE's to file Attestation Letters as an advice letter and serve the letter on the service list in Rulemaking No. ("R") 06-04-009. Specifically, Ordering Paragraph No. 4 of the aforementioned decision states:

4. All LSEs other than PG&E, SCE and SDG&E are required to file annual Attestation Letters, due by February 15 of each year, attesting to the Commission that the financial commitments entered into during the prior calendar year are in compliance with the EPS. The Attestation Letter shall include a certification, including the name and contract information for the LSE officer(s) certifying the following under penalty of perjury:

- A. I have reviewed, or have caused to be reviewed, this compliance submittal.*
- B. Based on my knowledge, information, or belief, this compliance submittal does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements true.*

- C. *Based on my knowledge, information, or belief, this compliance submittal contains all of the information required to be provided by Commission orders, rules and regulations.*

The Attestation Letter shall be filed as an advice letter and served on the service list in this proceeding, or its successor proceeding. The Attestation Letter shall be subject to the Commission procedures governing advice letter filings, which include opportunity for protests and responses. However, no Attestation Letter shall be "deemed approved" under those procedures.

Energy Division shall review each Attestation Letter and approve it if it contains all the elements required by the EPS documentation requirements, includes a certification by the responsible corporate officers, and if the facts stated in the Attestation Letter show compliance with the EPS. Energy Division approval of the Attestation Letter means that the Attestation Letter is in compliance with these rules, and that any procurements as reported in the Attestation Letter comply with the requirements of the EPS program. Energy Division approval does not mean that LSE procurements that are unreported or inaccurately reported comply with the EPS. LSEs shall be subject to penalties if the attestation letters are found, at a later date, to be incomplete, misleading or incorrect.

This advice letter adheres to the provisions in D.07-01-039.

Tier Designation

Pursuant to D. 07-01-024, this advice letter is submitted with a Tier 2 designation.

Effective Date

GSWC is requesting an effective date of March 15, 2011.

Notices and Protests

A protest is a document objecting to the granting in whole or in part of the authority sought in this advice letter.

A response is a document that does not object to the authority sought, but nevertheless presents information that the party tendering the response believes would be useful to the CPUC in acting on the request.

A protest must be mailed within 20 days of the date the CPUC accepts the advice letter for filing. The Calendar is available on the CPUC's website at www.cpuc.ca.gov.

A protest must state the facts constituting the grounds for the protest, the effect that approval of the advice letter might have on the protestant, and the reasons the protestant

believes the advice letter, or a part of it, is not justified. If the protest requests an evidentiary hearing, the protest must state the facts the protestant would present at an evidentiary hearing to support its request for whole or partial denial of the advice letter. The utility must respond to a protest with five days.

All protests and responses should be sent to:
